

ONLINE ORDERING

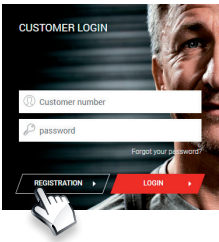

EASY AND QUICK – ONLINE ORDERING VIA THE INTERNET

You would like to be able to order around the clock?

That's not a problem with us! As a business customer with a STAHLGRUBER customer number, you will be able to enjoy all benefits of our online ordering system. All that is required is a single registration in the Customer Login section on <https://kunden.stahlgruber.de>

What are the advantages of online ordering?

- Orders can be placed around the clock
- Information on current prices and availability
- Recoding of reference numbers
- Display of alternative products
- Download of price information
- Spare parts can be retrieved from the electronic parts information system STAKis and the STAHLGRUBER catalogues for order handling
- Order confirmation by e-mail
- Additionally, current offers such as the STAHLGRUBER HITS are displayed

ONLINE REGISTRATION

1. Register on our website <https://kunden.stahlgruber.de> in the Customer Login section (at the bottom right).
2. Enter your customer number and post code and click „Continue“. You will then be asked to create your personal password with a minimum of 7 and a maximum of 15 characters. Please do not use any umlaut (ä, ö, ü).
3. Complete all other fields and provide your email address. Confirm your entries by clicking the „Registration“ button.
4. After successful registration, you can immediately use all features of the STAHLGRUBER online ordering system.

ONLINE PRICE INFORMATION

1. After you have logged in on the website, you will be in the STAHLGRUBER online ordering system.
2. Select the „Price Information“ menu item on the left.
3. Click the „Request new price information“ button. Then you will see a field marked „Complete price information is being generated“.
4. You will be notified by email as soon as your personal price file is available for you to download.
5. **Important:** Please make sure that the data displayed in the date field are up to date. The price data are updated monthly.
